Directions

Lothlorien is located near Needmore In.

A Travelling on State Road 37, head South from Bloomington about 15 miles or North from Bedford about 8 miles to the Stoplight at the junction of State Road 37 and Old 37, turn East, (left from Bloomington, right from Bedford) onto Old 37

B Go about 3.6 miles, just before you get to the Orange road sign saying "Road Closed" turn left onto County Road 425N

C Go past the factory about .9 miles, (down the big hill, around the curve, up the other side), when you come to a fork in the road, bear left, up the hill, not down, and go about 1/2 mile.

D Lothlorien is on the left, just around the bend, and the driveway is just before the big green mailbox marked 911.
